Experience the Real South Florida

Blue Moon Outdoor Center provides daily kayak, canoe & mountain bike rentals within the Oleta River State Park.

Blue Moon uses RTM sit on top kayaks and Mohawk canoes. We are a Current Design dealer and Malibu Kayak dealer along with Specialized bicycles. Retail shop offers t-shirts, park memorabilia, snacks, kayak & bike accessories.

Located next to the Haulover inlet and the Intracoastal Waterway, lies this quiet estuary of North Biscayne Bay. Then 2 miles north is the start of Oleta River that meanders west. Along the river is a campsite for the Florida Saltwater Circumnavigational Paddling route.

The park offers 12 air conditioned cabins for a fun overnight stay. Visit the trendy South Beach 10 minutes away then slip back into nature with a campfire next to the water.

Blue Moon's staff consists of paddling & biking enthusiasts. Instructional classes and guided tours are available.

Blue Moon Outdoor center is well known among other things for its monthly Full Moon tours.
